

Our Vision

NEWAH envisions of a prosperous and healthy Nepal where every citizen is entitled an improved quality of life and are also able to access their right to improved and safe drinking water, sanitation, hygiene and health.

Our Mission

To improve the living standard of the people in the greatest need through equitable and sustainable access to safe drinking water and encourage behavioral changes in sanitation and hygiene in Nepal.

Our Goal

To ensure all communities have access to improved and safe water, provide hygiene and health education and promote total sanitation through collaborative projects.

Thematic Areas

Sustainable WASH Service Delivery

Provide technical and financial support to assist the development and improvement of WASH services in the unserved areas of the country

Research & Development and Knowledge Management

Engage in research and development to enrich sectoral knowledge base and promote innovations in WASH sector.

Capacity Building

Enhance capacity of individuals and institutions involved in WASH sector to manage sustainable WASH system.

Coordination and Advocacy

Collaborate and coordinate with governmental, non-governmental and private sector stakeholders to leverage equitable and sustainable access to improved WASH services; and to advocate for policy reforms aimed at the sustainable and inclusive pro-poor WASH governance

STRATEGIC PLAN 2022 - 2026

“Improving the lives of people living in Nepal through equitable and sustainable WASH service”

Values

Transparency

Community Management

Accountability

Sustainability

Poverty Sensitive

Non-discrimination

Gender Equality and Social Inclusion (GESI)

Neutrality

Achievements and Targets

During **29** years NEWAH reached a total of **2,136,802** beneficiaries, through **337,068** served households and **314,020** student beneficiaries via **2,538** individual projects with **40,262** communal water points and **685** school water points.

By **2026** the goal is to receive additional funds of **US\$ 20M** and reach **2.4M** total beneficiaries.

Approach

Total coverage

Partnership and collaboration

Total Sanitation approach

Advocacy

Participatory approach

Cross-sectoral integration

Appropriateness & cost-effectiveness

Cross-cutting Issues

Gender Equality and Social Inclusion (GESI)

Climate change adaptation and disaster risk reduction

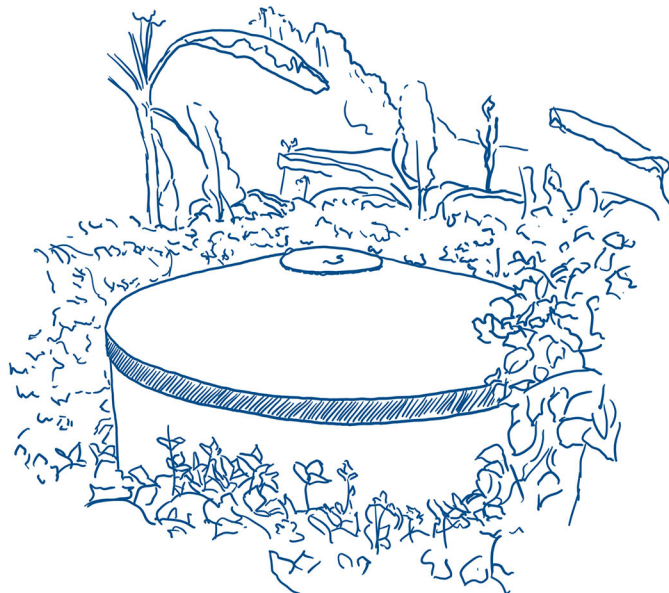

Water, sanitation and hygiene (WASH)

Agriculture, nutrition and livelihood

Integrated Water Resource Management (IWRM)

Theory of Change

If sustainable WASH services are provided to people and there is good coordination among the WASH stakeholders and a strong commitment from local government to WASH sector then NEWAH can improve the access to safe drinking water, sanitation and hygiene thereby improving their living standard.

Impact

Contribute to vision of 15th Periodic plan “Prosperous Nepal and Happy Nepal” and SDG 6 “Ensure availability and sustainable management of water and sanitation for all”

Outcomes

Access to equitable and sustainable improved WASH services to unserved people of rural Nepal

Improved WASH governance at local level

Strengthened institutional capacity for WASH services

Availability of new knowledge and learning for WASH sector

Outputs

- Sustainable and equitable improved water supply system
- Improved sanitation facilities and sustained hygiene behaviors

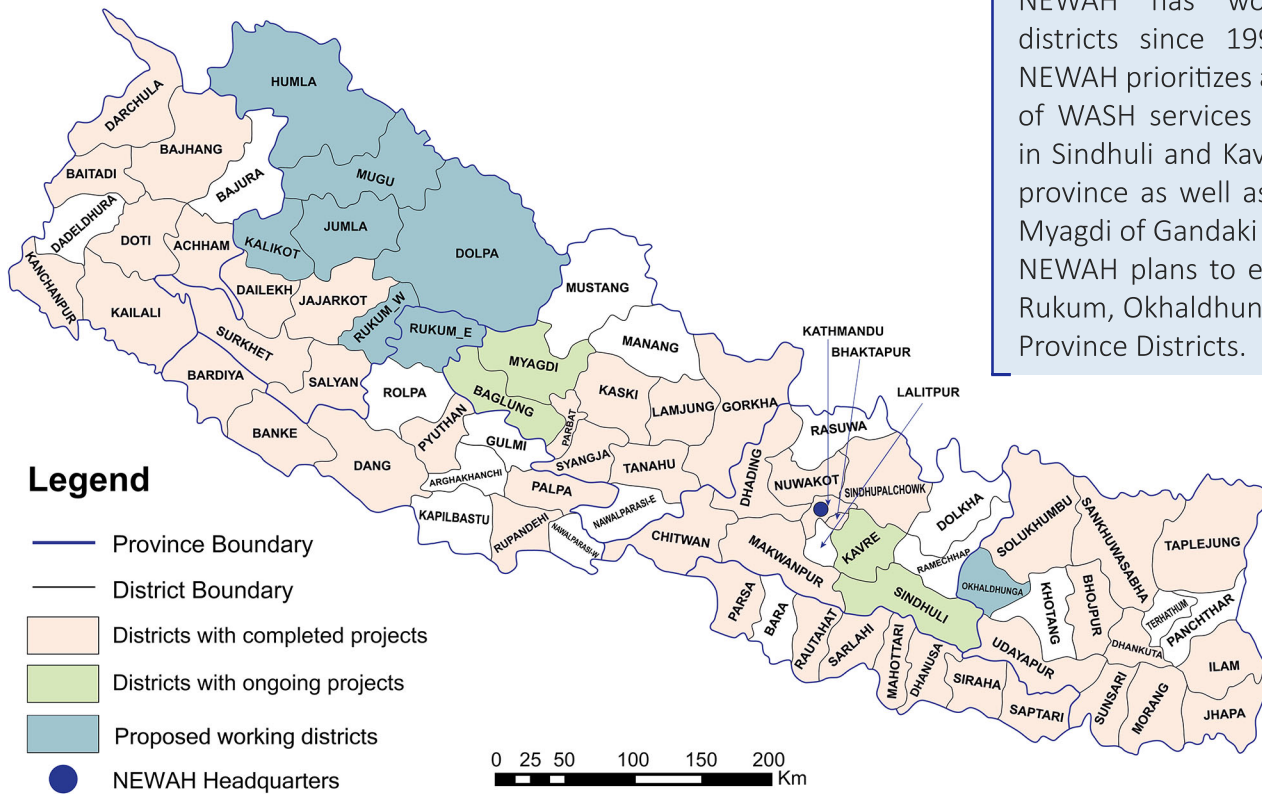

- WASH plans and policies in place
- Fund allocation to water structures and its operation & maintenance
- Improved monitoring mechanism at local level

- Enhanced capacity of individuals and institutions on WASH
- Strengthened institutional capacity of local government on WASH

- Research findings in place
- Published research papers/ articles/ stories/ video clips/ annual reports.
- Best photo and case studied awarded
- Documented learning and sharing
- NEWAH data incorporated in NWASH

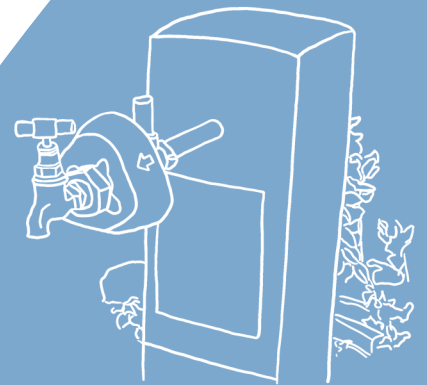

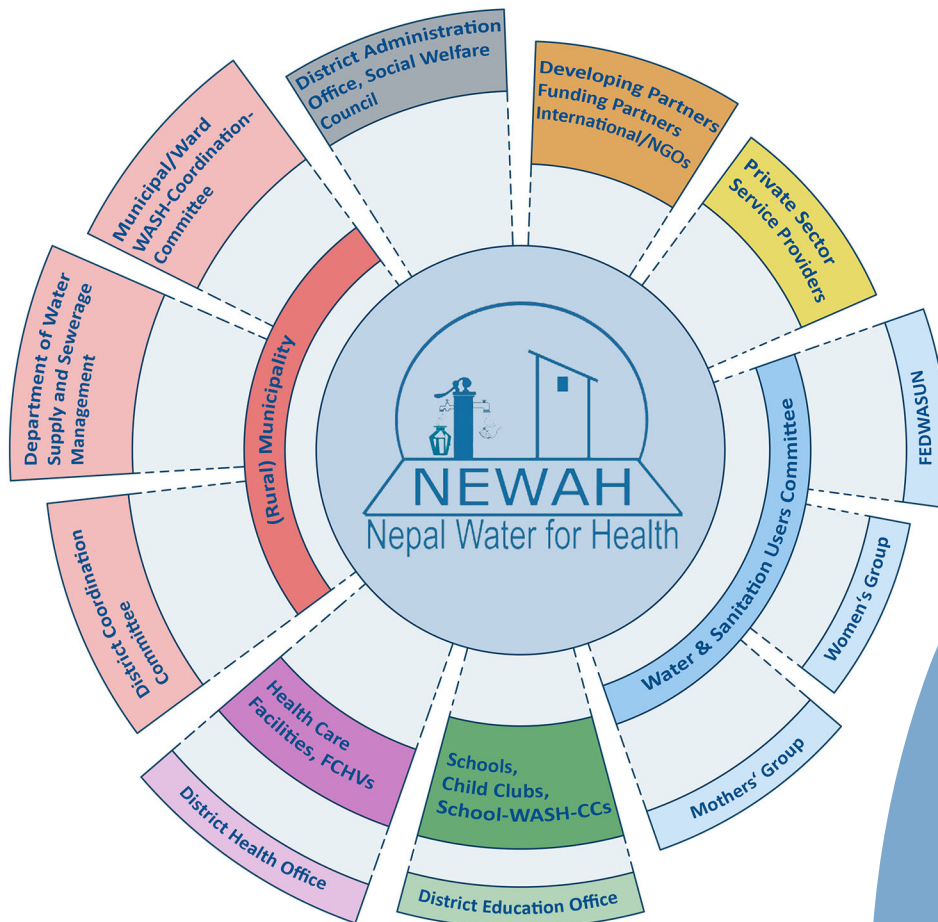

Working areas

NEWAH has worked in 51 districts since 1992. Currently, NEWAH prioritizes a full coverage of WASH services and presence in Sindhuli and Kavre of Bagmati province as well as Baglung and Myagdi of Gandaki province. NEWAH plans to expand to East Rukum, Okhaldhunga and Karnali Province Districts.
